

2026 IEEE International Symposium on Circuits and Systems

May 24 through May 27, Conference in Shanghai, China

Top Creativity Award

of The 5th Grand Challenge on Neural Network-based Video Coding

is presented to

Jia Wang, Jun Zhu and Xinfeng Zhang

for the paper entitled

SRNeRV: A Scale-Wise Recursive Framework for Neural Video Representation

IEEE CASS VSPC

Technical Committee

Li Zhang

on behalf of the grand challenge organizer
